PRECISION IN FIXATION

Dear Colleagues,

The **EBOMFS Assessment** will take place over the weekend of **11th until 13th September 2026 in Athens** before our biennial Congress of EACMFS. Only surgeons who have completed training and are specialists in their own nation can sit the EBOMFS Assessment.

All pre-specialist trainees, and specialists wishing to practice before sitting the EBOMFS Assessment, are invited to improve their knowledge in OMFS using the **Pre Specialization MCQ Assessment**. This is a liaison project between EACMFS and OMFS Section/Board of UEMS. Each year the number of trainees participating has increased, with 128 in 2022, 264 in 2023, 402 in 2024, and over 500 last year. **Please encourage participation. There is a prize for the European country with the highest proportion of their OMFS trainees participation.**

On completing this 50 question Single Best Answer (SBA) assessment, participants receive their score and can review their responses and compare them to the correct answers. To give participants an EBOMS context, five questions (10%) were previously used in the EBOMFS exam.

The exam covers the complete curriculum of OMFS, runs online and takes 90 minutes. The European Association of Cranio-Maxillo-Facial Surgeons is grateful to the Medartis company for supporting this project with an unconditional grant.

The 2026 edition of the **Pre Specialization MCQ Assessment** will take place online on

- Thursday 27th August 2026, 8 p.m. – 9.30 p.m. CET for Europe
- Saturday, 29th August 2026, 6 p.m. – 7.30 p.m. CET for America
- Sunday, 30th August 2026, 10 a.m. -11.30 a.m. CET for Asia & Oceania

The exam will use the same online resource as before <https://omfsexam.examfolio.com/> provided by Ektimo – see also the QR code below. Users who registered last year, do not need to re-register and can use the same log-in as before. **Please check your log-in well in advance as it is much less stressful to resolve issues well before the exam starts.** New users should register their details on the website. Exam details will be sent to all those who register.

With kind regards,

Nicholas Kalavrezos
President EACMFS

Patrick Magennis
Past- President OMFS Section

Satheesh Prabhu
Secretary EACMFS

Christos Perisanidis
Education & Training Officer

Frank Hölzle
Liaison Officer EACMFS-UEMS
